National Owner Handler Series

The AKC National Owner-Handled Series is a non-titling competition for dogs exhibited by their owners who are not professional handlers. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book & catalog. Dogs must be handled throughout the breed-level competition for the regular show by an eligible owner. Professional handlers*, household members, and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:

<https://www.akc.org/sports/conformation/national-owner-handled-series/>

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.

**A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.
